

The ABC's of PT Childcare

Attendance: Please check in and receive a security tag at the PT Preschool desk each day BEFORE your kiddos are dropped off at their class.

Bags: Please make sure that all bags, bottles & cups have an ID tag on them.

Curriculum: We are so excited to have curriculum for ages 3 and up this semester!

Dues: Semester dues (registrations) are FREE for your first child and \$50 to register each additional child. Registration and payment must be done on or before August 23rd. If you pay after this date, we will have to put your child(ren) on our waiting list.

Emergency: If we need to get in touch with you at any point, we have a paging system in place.

Forms: Please make sure that all of your registration forms have updated information (especially phone numbers and allergies).

Green: Children with green or yellowish discharge from the eyes or nose will not be admitted.

Hot: If your child feels hot and has a temperature of 100.4 or greater, they will not be admitted and/or will be sent home.

Illness: If your child has been ill, he/she will not be admitted until they are fever free for 24 hours.

Joy: Help us keep your child in a "joyous" state by waving bye-bye at the class door. It makes us sad when "peeking mommies" come back and accidentally make their babies sad. Remember that we will let you know if your child becomes too upset to stay.

Keep: Please keep your portion of the security tag to pick up your child and your copy of the ABC's for Childcare as a reference.

Love: Your kiddos will be loved and cared for when you are away.

Medicine: We cannot administer medicine to your child.

No refunds: We are not able to give refunds.

One: Our one goal is to take great care of your kids while you enjoy Bible Study.

Parents: For your child's safety, parents are not allowed in the classrooms. If you do need to speak with your child, we will bring your child to you in the hallway. ☺

Questions: If you have any questions regarding childcare you can contact Angela Bailey at joshandangela@sbcglobal.net .

Registration: You must register for childcare and pay for additional children (registration for first child is free) on or before August 23rd.

Safety: For safety reasons, all children must report to the room they are assigned and each parent must show their matching security tag to pick up their child.

Time: You may drop off your child 15 minutes before the start of class and they must be picked up 15 minutes after the class has ended.

Undies: Please bring an extra pair of undies or diapers/wipes and an extra change of clothes. Accidents will happen! ☺

Vomit: Children with diarrhea or who have been vomiting will not be allowed in our care until they are free from illness for 24 hours after the last incident.

Waiting List: If you register for childcare after August 23rd, we will have to place you on our waiting list. We will then contact you when a spot becomes available.

Extra: If your child has an extra special need or any known allergies please let us know that on the registration form and remind their teacher.

Yummy: We do have some yummy cheerios and/or goldfish if your child needs a snack.

Zillions: Sadly, there are zillions of germs. Please help us keep our kiddos healthy by not bringing your sick child. ☺
